

ILLINOIS DENTAL HYGIENISTS' ASSOCIATION SCHOLAR SOCIETY

The Illinois Dental Hygienists' Association is pleased to announce a way to show commitment and support for our profession.

Many dental hygienists volunteer endless hours to promote the dental hygiene profession.

If you are a dental hygienist that loves your profession . . .

Throughout their career, many accumulate more continuing education hours than are required by law for licensure renewal. This is done for professional and personal growth and for the love of learning.

The Scholar Society will offer all dental hygienists a way to show their long-standing support to dental hygiene.

All monies generated apply to the IDHA scholarship fund.

If you are a hygienist that:

1. Continues to exceed the required number of continuing education hours throughout the renewal periods;
2. Views volunteerism as a part of your duty as a registered dental hygienist;
3. Promotes the importance of dental hygiene to the public;
4. Has a collaborative mindset;
5. Believes in the importance of supporting scholarship funding for dental hygiene students.

The Scholar Society was designed specifically for you!!

What is the Scholar Society?

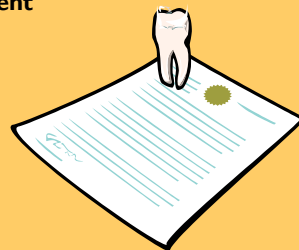

The Scholar Society began as a way to create scholarship money for dental hygiene students in the state of Illinois. The Membership fee will be used to generate monies needed to keep these scholarships going.

The knowledge that many Registered Hygienists exceed the number of continuing education hours needed yearly and volunteer in different settings to make sure that the public is educated about the Dental Hygiene profession is what ignited the idea to recognize these elite hygienists.

These Registered Dental Hygienists are the reason our profession will continue to be a respected, strong organization. The Illinois Dental Hygienists' Association offers all hygienists the opportunity to recommit to their profession by joining the Scholar Society.

How Do I Join?

1. **Accumulate 50 continuing education hours during a Three-Year Period.**
2. **Accumulate at least 10 hours of education to the public by volunteering for any community activities.**
3. **Continue to promote the Dental Hygiene profession as often as possible with as much passion as possible.**
4. **Fill out registration form and enclose \$25 payment**

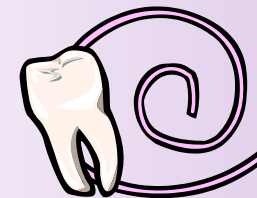

You will receive a certificate, a Scholar Society pin, the recognition of your commitment to the Dental Hygiene profession and the knowledge that you are contributing to our continued success both present and future.

Join the Elite! Promote Dental Hygiene!

Ensure scholarships for the future!

Share your knowledge and self confidence!

Demonstrate your professional credibility by helping to develop a future dental hygienist's potential.

The Illinois Dental Hygienists' Association Scholar Society will help ensure scholarship funding for dental hygiene students in Illinois and wants to recognize dental hygienists who are:

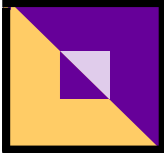

- *Dedicated and committed to the personal and professional success of all our members.*
- *Passionate patient advocates.*

The Scholar Society is also a notable way to remember or honor someone. With your donation or endowment you will be allowing the advancement of our dental hygiene legacy to continue!
